Poor Aunt Polly just couldn't keep up with the weeds outside her house... She just couldn't cut them all down...

She had just about given up hope when the Mighty Atom came along...

"Wait there, Polly," said the Mighty Atom. "I'll fix those weeds!"

And the powerful Pixie found just what was needed....

"This razor will cut your problems down to nothing!" laughed Mighty Atom....

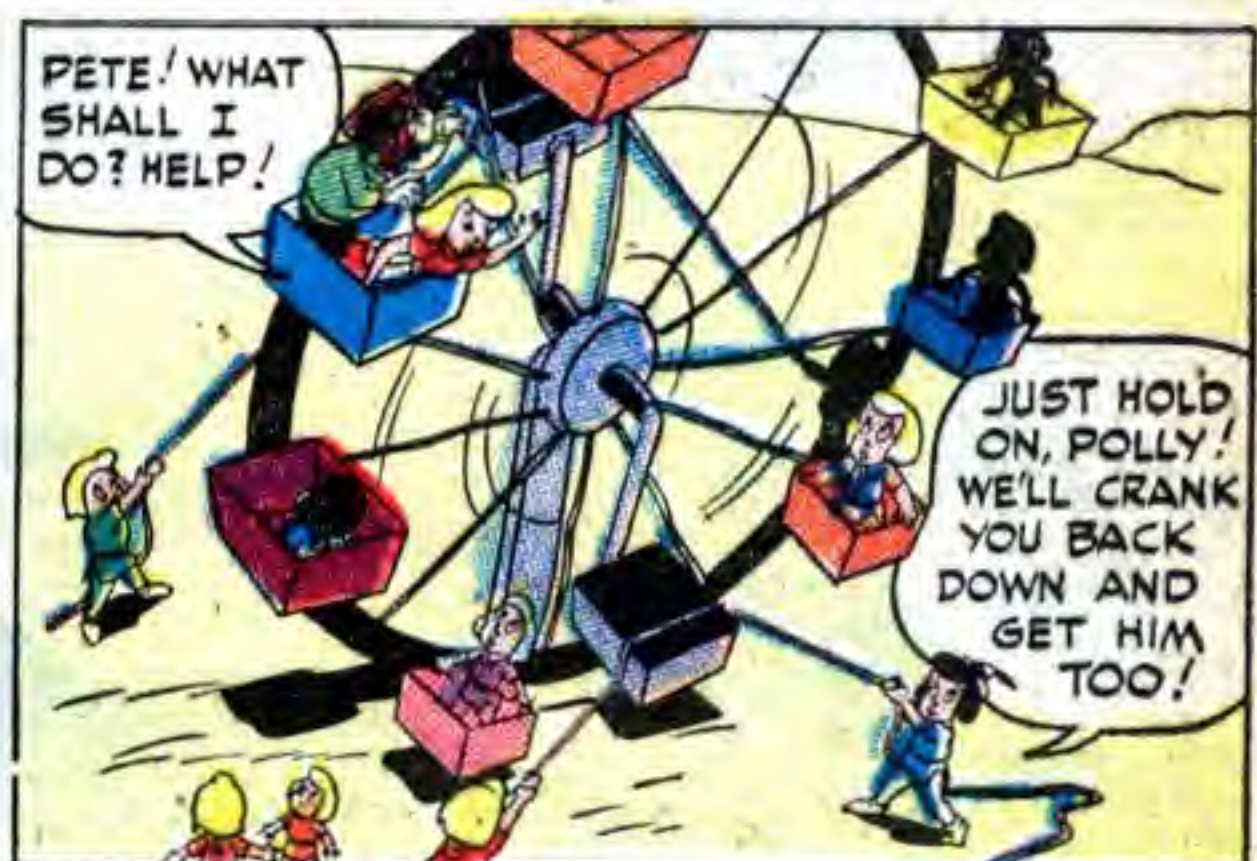

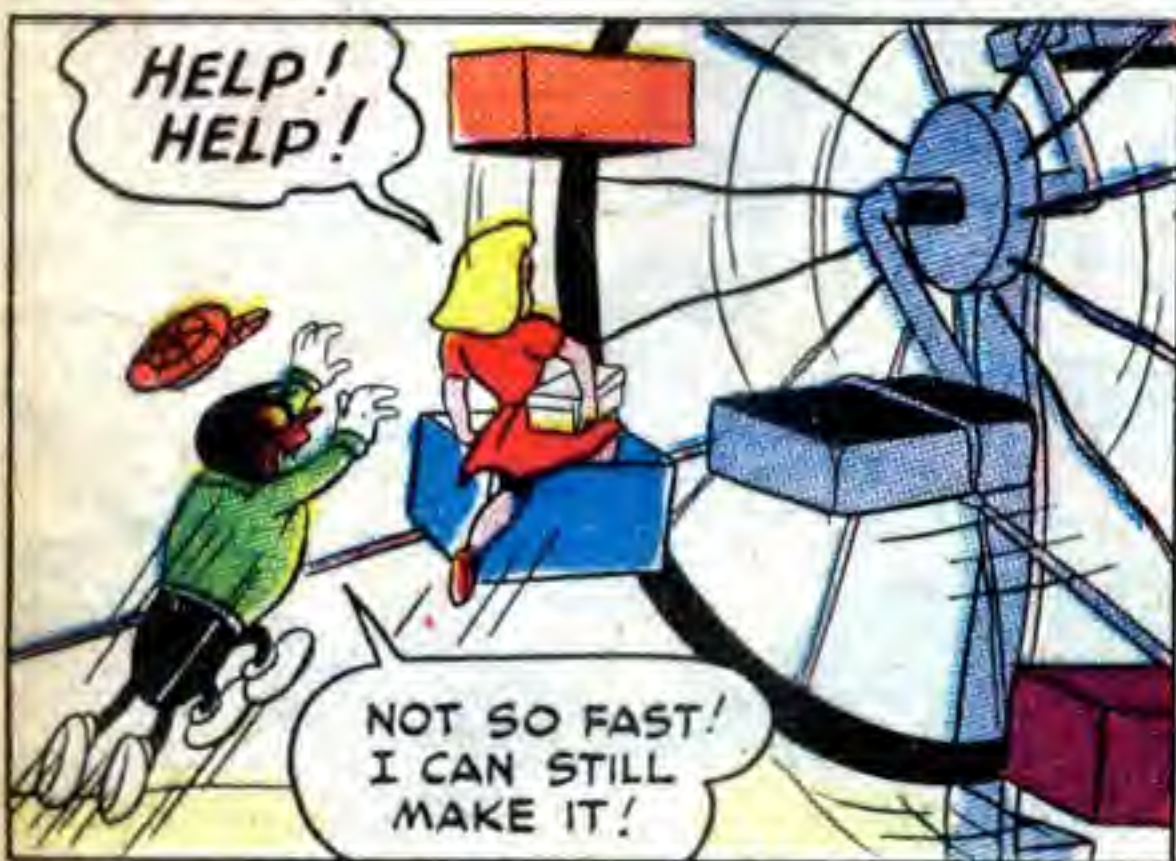

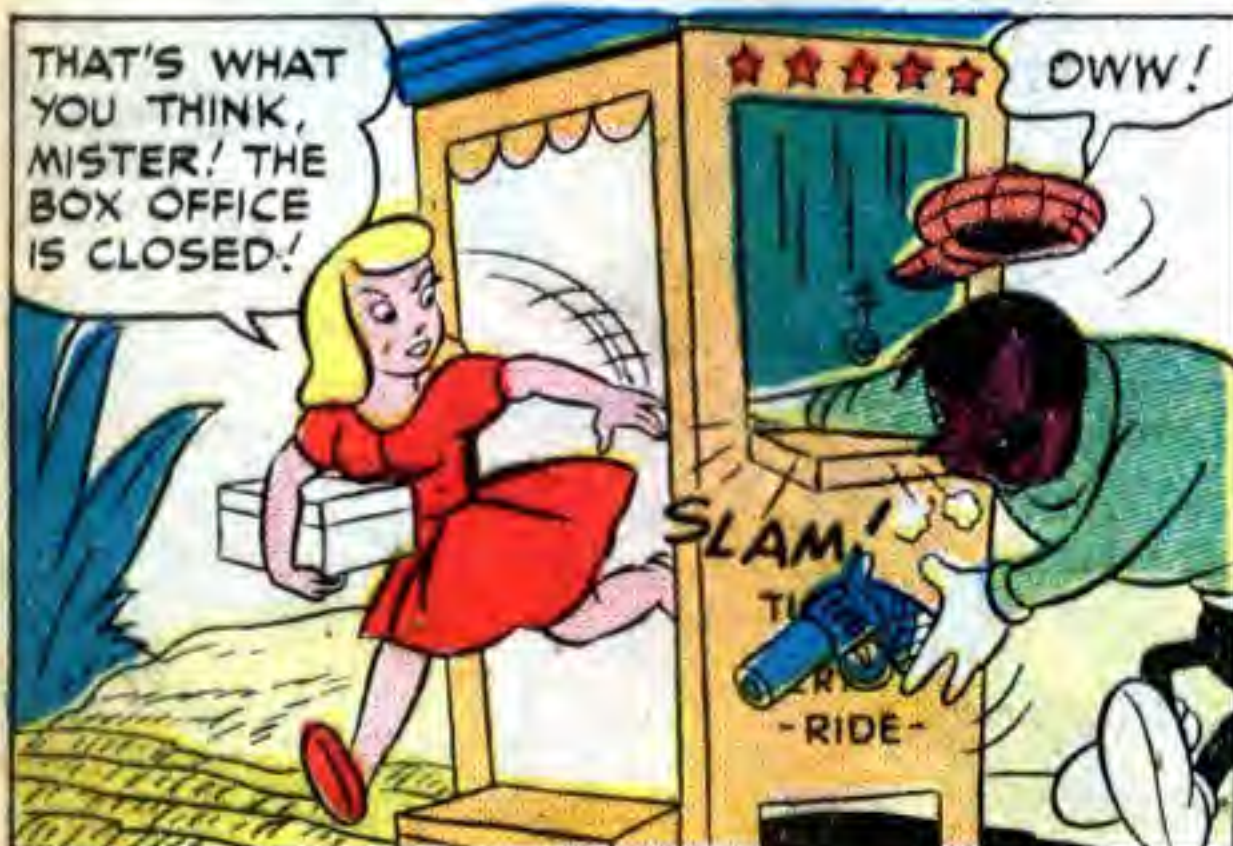

And snippity snap went the grass and the weeds!

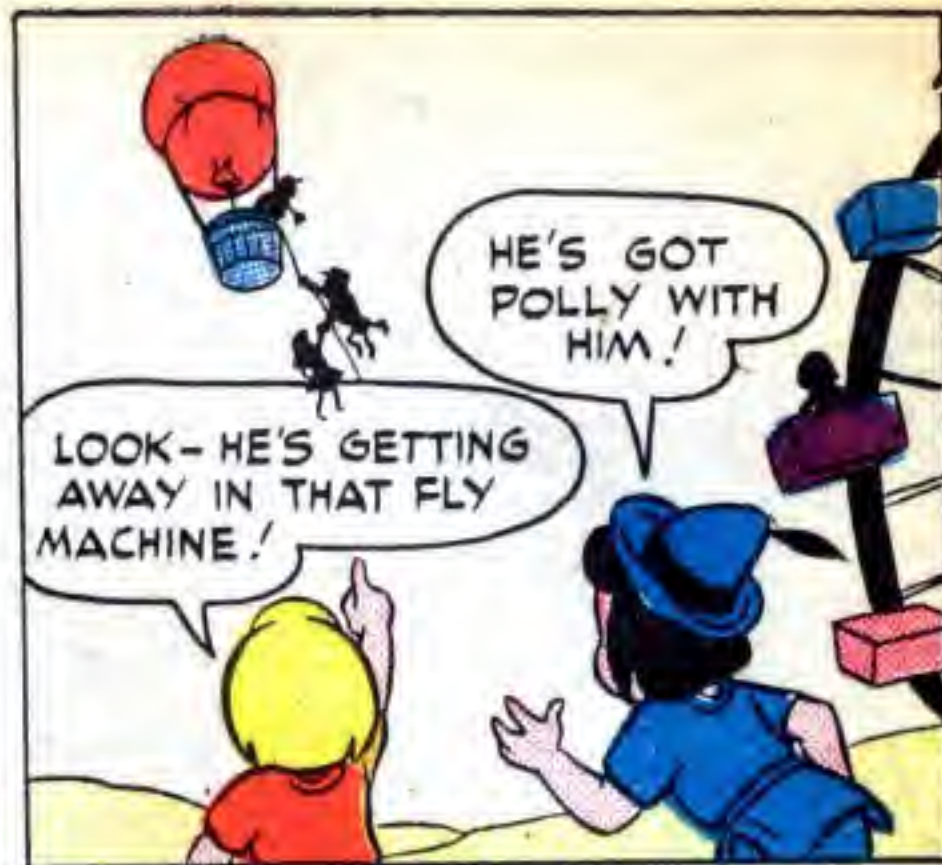

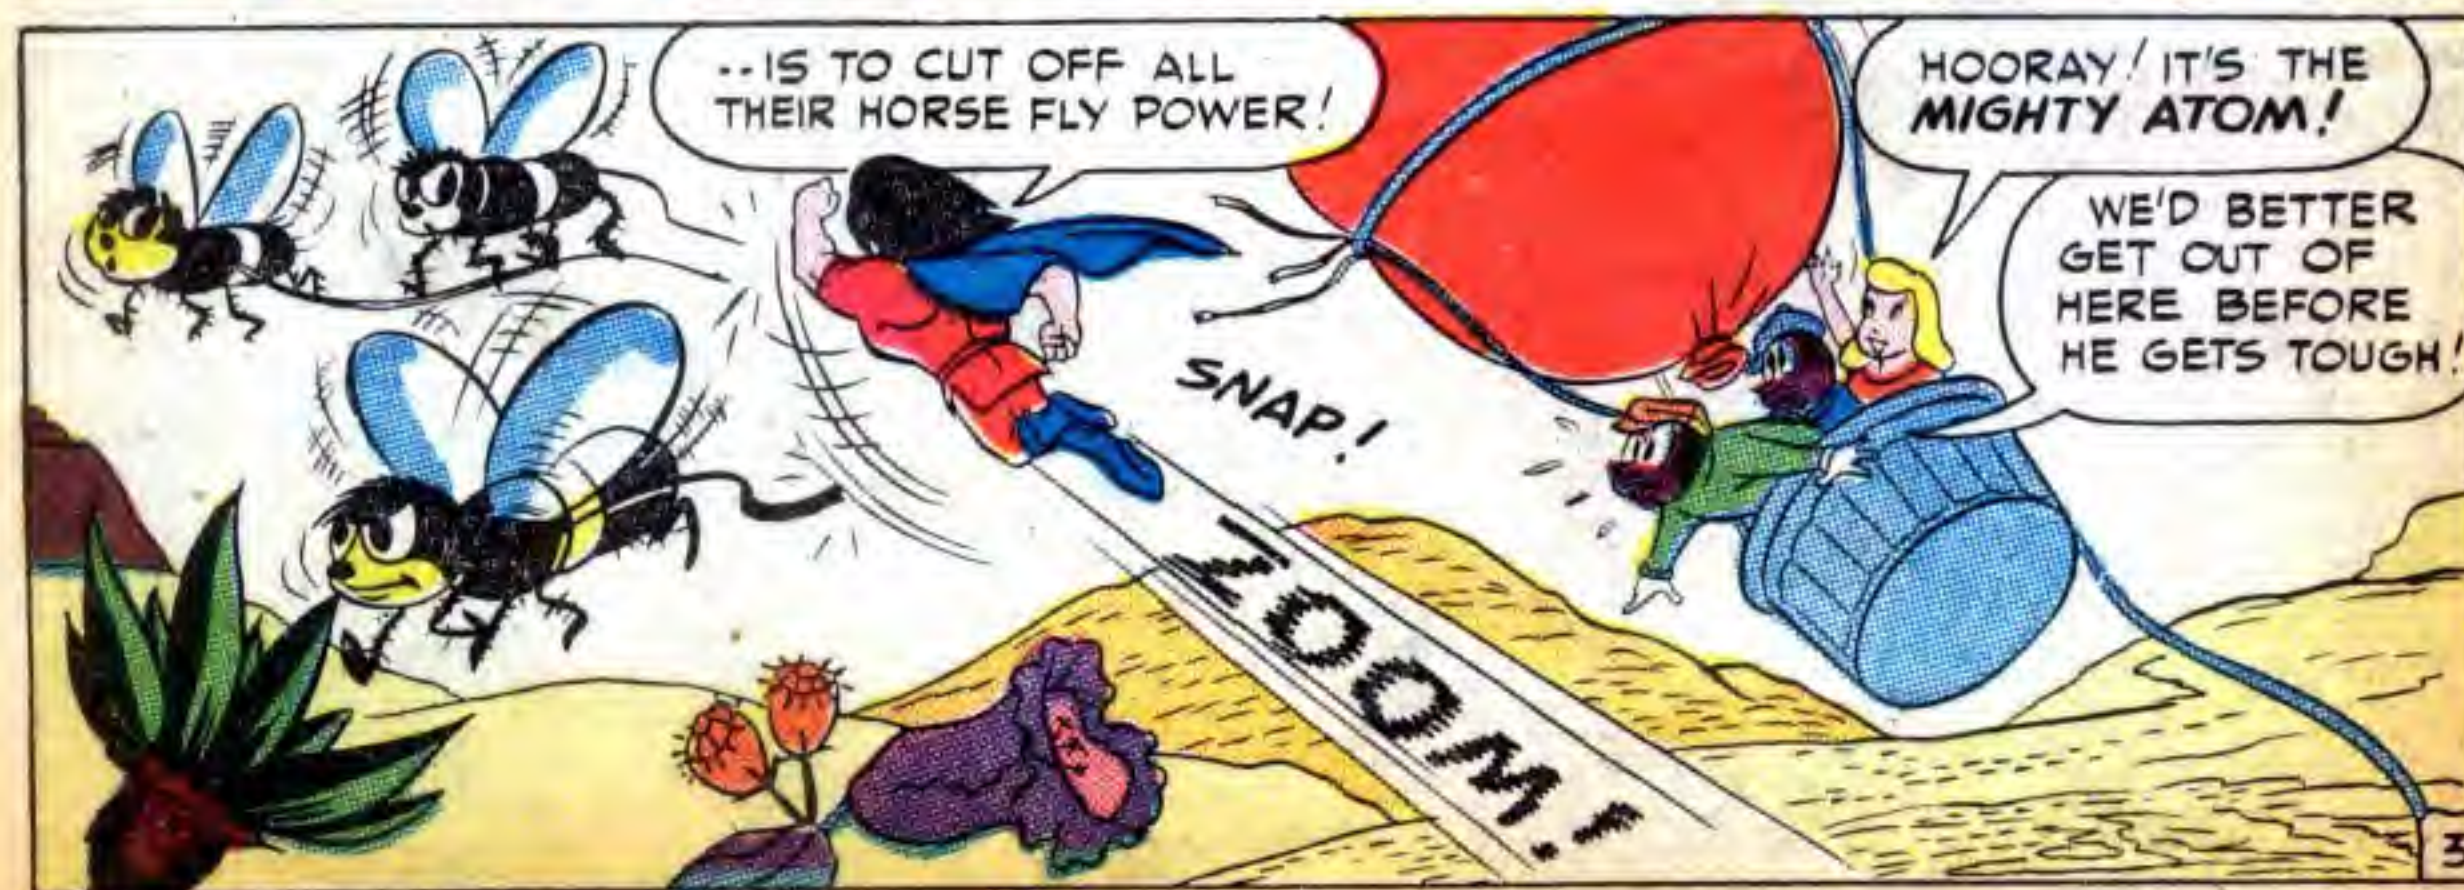

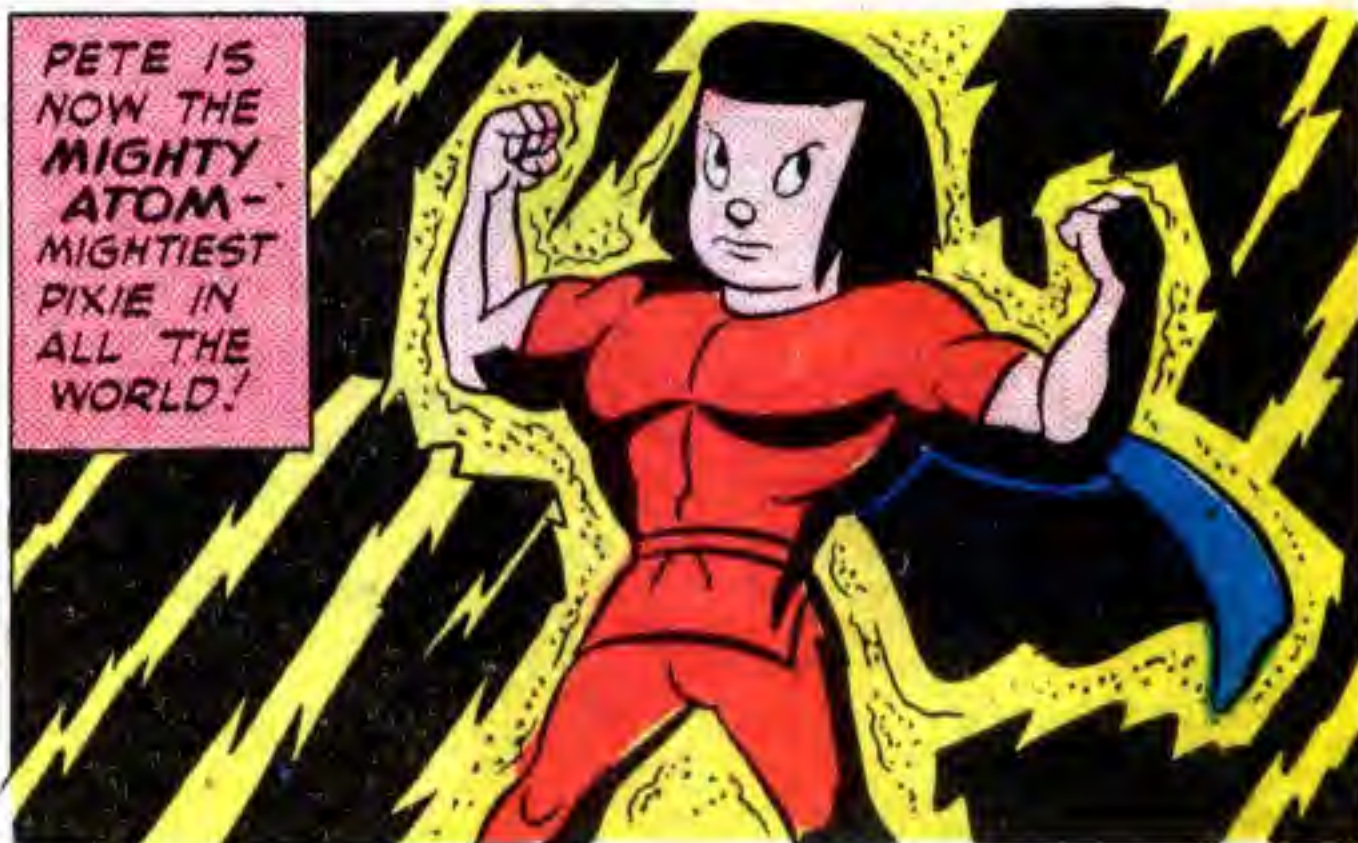

HIDING FROM THE OTHER PIXIES, PETE SAYS THE MAGIC WORDS THAT CHANGE HIM INTO THE MIGHTY ATOM!
